

Air Spaces whiteboard

Air Spaces was designed with the idea of connecting Air whiteboards to each other and creating large continuous writing spaces. Concealed fittings give the surface subtle joints, measuring less than 1 mm. The continuous whiteboard can also be complemented with textile modules (see Air Textile).

Concealed fittings and subtle joints
 Depth from wall 16 mm
 Magnetic ceramic steel writing surface
 e3 certified 99% recyclable
 30-year warranty on the writing surface
