Jules Wabbes

The Louise chair was designed in 1963 by Jules Wabbes for a restaurant named Drugstore Louise in Brussels. Reissued by Bulo in 2010, it is a simple and elegant chair with a classic and timeless personality that feels equally at home in an office or a dining room. It is fully upholstered in fabric or leather, with or without armrests. The legs are available in dark-stained solid oak, stainless steel or smoked powder coat.

De Belgische ontwerper Jules Wabbes ontwierp deze stoel in 1963 voor het restaurant Drugstore Louise in Brussel. Bulo bracht het ontwerp in 2010 opnieuw uit. De stoel Louise is elegant en tijdloos en voelt zich thuis zowel aan de eettafel als voor een bespreking in een kantooromgeving. De kuip is volledig bekleed met stof of leder, met of zonder armleuningen. De poten zijn in massieve eik, gebeitst of in roestvrij staal.
