Vincent Van Duysen

Vincent Van Duysen's interpretation of the "cubicle" desk system. Minimal yet beautifully detailed, the VVD Desk has timeless aesthetics. It is Van Duysen's architecture scaled down to a compact piece of furniture. The table tops are solid core laminate with solid surfacing border in Corian. The screen and spline panels are upholstered in Kvadrat Divina.

Desk is Vincent Van Duysen's interpretatie van het klassieke "cubicle"-systeem: minimaal maar met aandacht voor detail en met een tijdloze esthetiek. De architectuur van Van Duysen is verschaald naar een meubel. De bureaubladen zijn in volkunststof. De panelen zijn bekleed met stof Divina van Kvadrat en afgewerkt met randen in Corian.

Vincent van Duysen a réussi à épuré son architecture à un meuble compact, inspiré du mobilier système "cubicle" mais portant la signature de Van Duysen: minimal, pure et claire. Les plateaux des bureaux Desk sont en synthétique laminé compact. Les panneaux latéraux sont complétés de tissu Divina de Kvadrat et finis avec chants en Corian.
