Pub & Club

Bulo Designers

With soft cushions and broad armrests the Pub & Club transcends the functional aspect of the desk chair to luxurious comfort and playful aesthetics. The Pub & Club is the perfect antidote to the rigid office chair, making working cosy and warm with a touch of lounge aesthetic. The chair is available with or without armrests, and is fully upholstered in fabric or leather. The base is in black, aluminium colour or polished chrome.

Met zijn zachte kussens en brede armleuningen overstijgt de Pub & Club het functionele aspect van de bureaustoel door zijn luxueus comfort en zijn speelse esthetiek. Als het perfecte antidotum voor de technocratische, uniforme en rigide kantoorstool, zorgt de Pub & Club voor een warme en persoonlijke lounge-toets in de werkomgeving. De stoel kan met of zonder armleuningen en is volledig bekleed in stof of leder. Het onderstel is verkrijgbaar in chroom, zwart gelakt of aluminiumkleurig gelakt.

Des coussins doux et des accoudoirs de grande largeur... la chaise Pub & Club dépasse l'aspect fonctionnel de la chaise de bureau par son confort luxueux et son esthétique de fantaisie. Comme antidote parfait à la chaise de bureau technocratique, uniforme et rigide, le modèle Pub & Club assure une touche chaude et personnelle de salon dans l'environnement de travail. La chaise est disponible sans ou avec accoudoirs, la coque est revêtue de tissu ou de cuir. Le piètement est en chrome, laqué noir ou laqué en couleur aluminium.
