

RS# GOLD EDITION

by RAFAEL RODRÍGUEZ

The Gold Edition is a very special new collection offers a subtle and elegant combination of gold, metal and wood.

We've dressed the RS#2 and the RS#3 wood football table in a bespoke dinner suit. We've polished its bars, we've dressed the players in gold and silver chrome plating and we've plated the score counter, ball bearings, screws and other small parts of this great product in 24k gold. It's dressed up to the nines, with extra lustre and plenty of glamour.

The RS#2 and the RS#3 wood Gold offer the same features and gameplay as all the other RS Barcelona football tables. Although these two Gold pieces look worthy of gracing an exhibition, they are football tables to be played with and enjoyed to the full, just like the rest of the range, but with a touch of sophistication.
