Noa

Noa

2

Estudi Manel Molina

The Noa collection is part of a contemporary version of the classic Bistro chair. It is made of lightweight and robust materials that allow and facilitate its stackability, manageability and resistance. Its modern design and friendly lines make it an iconic object and the variety of its finishes allows to be adaptable to all kinds of domestic or hospitality spaces.

La colección Noa parte de una versión contemporánea de la clásica silla Bistro. Está fabricada en materiales ligeros y robustos que permiten y facilitan su apilabilidad, manejabilidad y resistencia. Su diseño moderno y de líneas amables hacen de ella un objeto icónico y la variedad de sus acabados permiten que se adapte a todo tipo de espacios domésticos o de restauración.

Noa

Noa features a laminated frame made of natural birch with a direct union to the polypropylene to improve its flexibility. The collection consists on a narrow chair for tight spaces, stackable chair for storage and two stools of 65 and 75 cm height. The seat and backrest can be customized in single-color polypropylene, in different color seat pad polypropylene or upholstered and fully upholstered option.

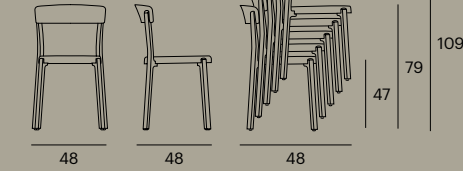

La silla Noa está construida con una estructura de madera laminada de chapa de abedul con unión directa al Polipropileno para mejorar su flexibilidad. La colección consta de silla estrecha para espacios reducidos, silla apilable y dos alturas de taburetes 65 y 75 cm. El asiento y el respaldo pueden tener distintos acabados: en polipropileno monocolor, con asiento pad de polipropileno de color o tapizable y completamente tapizados.

Products

Noa chair

Noa stackable chair
