“Le sue forme rappresentano la nostra idea di design senza tempo”

“Its shape represents our idea of timeless design”

Abbiamo tentato di reinterpretare il concetto di hospitality proponendo una linea dall'aspetto minimale e giovanile. Le linee morbide e l'imbottitura confortevole rappresentano la nostra idea di un design senza tempo dalla forma sofisticata ed ergonomica.

La collezione è caratterizzata dal dettaglio del doppio drappaggio collocato sul fronte dello schienale in corrispondenza delle gambe facendo trasparire la sartorialità artigianale della manifattura. Ogni pezzo della collezione può avere la base sia in legno che in metallo in una ampia gamma di colori.

We aimed to reinterpret the concept of hospitality with a seating collection that features a minimal yet youthful look. The soft lines and comfortable padding represent our idea of a timeless design, ergonomic and sophisticated.

This collection distinguishes for the double draping detail placed in the backrest's front, in correspondence with the legs emphasising the sartorial craftsmanship of each piece. All pieces, comes both with a wooden or metal base, both available in many colours.
